Operating conditions of the Hungaroring race circuit

Everyone can use the track on his own responsibility and risk. Under influence of alcohol or other drug a person can not use the racetrack. The instructions of director standards and Track Controllers must be respected in all circumstances.

The participant is responsible for any damage that he caused the car or the racetrack, and the total area of Hungaroring and its facilities.

WITH MOTORCYCLE THE TRACK CAN BE USED ONLY WITH HELMET, MOTOR BOOTS, AND SKIN CLOTHES.

The race vehicle must be in perfect mechanical condition.

A vehicle in perfect condition is defined as:

- A working brake
- The perfect tyre
- An exhaust system appropriate to the track's noise instructions.

The general technical functionality and reliability to ensure the state. The Hungaroring Sport Ltd reserves the right to exclude the vehicles which are technically not adequate.

The misattending of the flag signs, the ignoring of the instructions of Hungaroring Sport Zrt, or improper behavior, intentional or collision damage causes an immediate disqualification.

Entering the racetrack, please take into account!

- The director and the scrutineers instructions should always be respected.
- The course is not a competition, no training going on.
- More people use the track at a time.
- Care should be taken with any lower speed engines!
- Avoid the unpredictable changes of direction!
- The course must not stop! Whatever problem arises, you should try to get to the pit lane!

Flag signs:

- A **yellow flag** indicates that there is **danger** on the track.
Must slow down and be prepared to stop if necessary!
- In case of **red flags** shooting must be stopped immediately, and slowly return to the pits!

Disclaimer

The participants commit themselves to it all - on the basis of use-related and occurred - damage and / or damages following an accident or waiver of all claims for pain and suffering. The track is made for use only at your own risk.

The user declares emphatically and without limitation, a valid and unrestricted license in, and is 18 years. (An exception is made for licensed racers). Commits itself to only operate vehicles, or lead, which comply with the provisions of the statutory license.

Certify that the above described terms and conditions of the waiver form and read it, I took note of the contents, and any restriction described in point, I agree.
