

PRIVACY POLICY

Hungaroring Sport Co. Ltd. (hereinafter referred to as: "Data Controller") as the operator of the website available on the domain name www.hungaroring.hu (hereinafter referred to as: "Website") hereby publishes the regulations, data protection and data processing principles and information related to processing of data of recipients using the Website and related services (hereinafter together referred to as: "Data Subject ")

With respect to data processing the Data Controller informs the Data Subjects about the personal data processed by itself, its principles and practice related to processing of personal data, and also about the methods and possibilities of exercising the rights of data subjects.

The Data Subject accepts the regulations included in this Privacy Policy by the use of the Website, and also consents to the data processing set out below.

Definitions

- **" data controller"**: means the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data; where the purposes and means of such processing are determined by Union or Member State law, the controller or the specific criteria for its nomination may be provided for by Union or Member State law;
- **" personal data"**: means any information relating to an identified or identifiable natural person ('data subject' in this document: "regular customer"); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person;
- **" data processing "**: means any operation or set of operations which is performed on personal data or on sets of personal data, whether or not by automated means, such as collection, recording, organisation, structuring, storage, adaptation or alteration, retrieval, consultation, use, disclosure by transmission, dissemination or otherwise making available, alignment or combination, restriction, erasure or destruction;
- **" restriction of processing "**: means the marking of stored personal data with the aim of limiting their processing in the future;
- **" profiling "** means any form of automated processing of personal data consisting of the use of personal data to evaluate certain personal aspects relating to a natural person, in particular to analyse or predict aspects concerning that natural person's performance at work, economic situation, health, personal preferences, interests, reliability, behaviour, location or movements;
- **" data processor "**: means a natural or legal person, public authority, agency or other body which processes personal data on behalf of the controller;
- **" recipient "**: means a natural or legal person, public authority, agency or another body, to which the personal data are disclosed, whether a third party or not. However, public authorities which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients; the processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing;

- **” consent of the Data Subject ”** means any freely given, specific, informed and unambiguous indication of the Data Subject's wishes by which he or she, by a statement or by a clear affirmative action, signifies agreement to the processing of Personal Data relating to him or her;

Legal basis, purpose and period of data processing

Data Subjects may give information or data on the Website in two ways:

- personal data expressly given or provided during the use of the Website's services.
- information provided to the Data Controller with respect to the use of the Website in connection with visiting the Website or its use.

In all cases, the legal basis of data processing is the voluntary consent of the Data Subject on the basis of point a) of Section (1) of Article 6. of the Regulation 2016/679 of the European Parliament and of the Council (EU) (“ Regulation”) on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

The Data Subject may withdraw his/her consent partly or completely by way of written statement addressed to the Data Controller. He/she may also request the deletion of his/her own data in the same way.

Processed personal data

| Data processing | Processed data | Period of data processing | Purpose of data processing | Legal basis of processing |
|---|--|--------------------------------|---|---|
| membership registration on www.hungaroring.hu | Name, email address, invoicing name, postal code, administrative area, public area, house number, country, vehicle data (exhaust, power, number of cylinders, pc killer) | Until deletion of registration | Registration of applicants applying for Open Days, administration of applications | The voluntary consent of the Data Subject |

Data Controller does not and may not use the given personal data for purposes other than those listed hereinabove. The issuance of personal data for any third persons or authorities – unless it's regulated otherwise – is possible with the Data Subject's prior express consent.

In cases when the Data Controller intends to use the data provided for a purpose other than that for which it was originally collected, Data Controller informs the Data Subject accordingly, and obtains his/her prior express consent. The Data Controller also provides the possibility to the Data Subject to ban such use.

The Data Controller processes personal data during the period of purpose of data processing, primarily during the period of relationship with the Data Subject (at the end of such period data given by or relating to the Data Subject will be deleted), or until the Data Subject's request for deletion of such data or until the withdrawal of consent.

Handling of Cookies

The Service Provider stores a bit of information called "cookie" for the tailor-made service on the computer of the Data Subject and reads back during a later visit. If the browser sends back a cookie saved earlier, then the service provider handling the cookie has the possibility to link the current visit of the Data Subject user with his/her former ones, but exclusively in relation to the own contents.
